

We are expanding our children's ministry staff and currently have multiple positions available with the potential for full or part-time schedules.

We're looking for a few great people to join our children's ministry team to help us develop a world-class Children's Ministry. We're seeking confident, relational, and detail-oriented individuals who can lead teams of volunteers to create environments where kids can grow in faith. A place where the most demanding parents feel at ease leaving their children so they can participate fully in worship services.

You might:

- Be the go-to organizer for all your neighborhood events & community activities.
- Often think, "This is pretty good, but I can make it even better," or "This could be cleaner."
- Be making a list to organize your other lists.
- Have a background in childcare leadership, education, or corporate experience you know would transfer well into the church world.

You are:

- Highly relational and work well with others
- A gifted problem solver
- A hard worker with a strong work ethic
- Teachable, willing to learn and grow.
- Organized and pay obnoxious attention to detail.
- Not easily intimidated.
- Proficient in Microsoft Office
- Committed to the vision of Church @ the Springs

You will be:

- Responsible for the enlistment, care, training, and evaluation of volunteers.
- Leading volunteers to create ministry environments that are fun, attractive to kids, and meet the highest possible standards of safety, security, and sanitation
- Partnering with parents by creating opportunities for them to start strong in the spiritual development of their children.
- Reporting to the Kid's Pastor and/or a Campus Pastor and working with the children's ministry team to provide direction for the children's ministry at large.
