

CHURCH@
THE SPRINGS

COMMUNICATIONS TEAM

Graphic Designer

Church at the Springs is looking for a Graphic Designer to transform ideas into engaging visual stories for both print and electronic media. The ideal candidate will be proficient in design software and possess a strong understanding of branding and marketing.

Objectives:

- Create innovative designs that reflect organizational goals.
- Ensure designs meet brand and business expectations.
- Manage multiple projects efficiently, improving design processes.

Responsibilities:

- Collaborate on various materials like web pages, marketing materials, and more.
- Convert strategic direction into quality design within brand identity.
- Oversee design process from conception to CMS upload.

Required Skills:

- Creativity, with expertise in Illustrator, InDesign, Photoshop.
- Strong communication, organizational, and time-management abilities.
- Commitment to ongoing learning in design.

Preferred Qualifications:

- Experience in a design or marketing agency.
- Bachelor's degree in a relevant field.
- Familiarity with WordPress, Adobe Suite (InDesign, Illustrator, Photoshop) and photo-editing software.
